Emily: Hello Daisy... hello Iris... hello Anita.  
Daisy: (Threatening) So Emily... we hear you've been telling stories about us... to the Headmistress.  
Emily: No I haven't. What stories?  
Daisy: You said I locked Li Bin in the store room.  
Emily: I didn't.  
Daisy: Hey don't look so worried Emily... we've come to give you your Christmas present haven't we girls.  
A & I: (Giggle nastily)  
Daisy: What do you think girls? How can we give Emily her Christmas present without any marks showing?  
Anita: I know!... pinch her nose and put you hand over her mouth for a whole minute.  
Emily: No!  
Daisy: Great idea Anita. Okay,... Iris... pinch her nose... Anita... put your hand over mouth.  
Emily: (Desperate muffled sounds as she tries to shout for help)  
Miss Ho: What on earth is going on here?  
Daisy: Miss Ho! (girls release Emily who gasps for air) Um... we're trying to help Emily Miss... she wasn't feeling well.  
I & A: Yes Miss Ho... we were helping Emily.  
Alysha: HELPING Emily?! Nonsense! You were trying to SUFFOCATE her!  
Miss P: Wanda... what are you doing here?... I thought' I was supposed to be on playground duty not YOU.  
Miss Ho: I'm sorry Miss Perkins... the girls looked for you everywhere but you were nowhere to be found.

Brief music

Iris: Daisy, what are we going to do if Emily tells the Headmistress we tried to suffocate her?

Daisy: Miss Perkins will save us.

Iris: How can you be so sure Daisy?

Daisy: Because... look..., I've bought Miss Perkins a Christmas present and a Christmas card.

Miss P: Hello Daisy... Hello Anita... Hello Iris.

All: (Sweet) Hello Miss Perkins.

Daisy: Miss Perkins.... this is for you.

Miss P: A Christmas present and a card (SFX Opening card. Xmas music) A musical card! How lovely! and what lovely words... (reading) "To Miss Perkins... the best teacher we've ever had. Happy Christmas' Oh girls... that's so nice of you... You know... (tearful with emotional) .. no one's ever given me a card as nice as this before, (snuffles with emotion)

Anita: (Under her breath to Iris) Huh! She believed it!

Iris: (Suppressed giggle) She's so stupid!

Miss P: And my present... Can I open that too?

All: Yes Miss.

(SFX. Opening present)

Miss P: Oh how lovely! A scarf! I shall wear it on Christmas day and think of you dear girls.

Iris: (Under her breath) Silly old fool. .

Miss P: I feel so... touched... I really do..., thank you girls.... you've made my Christmas very... very.... happy, Bye...

Iris: (Pause and then they burst into giggles) What an idiot!

Anita: She really thinks we like her!

Iris: She thinks we really MEANT those silly words (Giggling nastily)

Daisy: Let her believe it... Miss Perkins can be very useful to us... very useful,

(All giggle nastily)

Brief music

Head: Miss Ho... Miss Perkins... I have called you here to discuss a serious matter

Miss Ho: Yes Headmistress.

Miss P: Serious matter? What serious matter Headmistress?

Head: Correct me if I am wrong but were not YOU, Miss Perkins, on playground duty to-day?

Miss P: Yes, yes I was Headmistress.

Head: It seems there was an incident,

Miss P: You mean with Emily Lam?... well, that's easy to explain... Emily Lam suffers from asthma... she had a mild asthma attack... couldn't breath properly... Daisy Chiu , Anita and Iris were helping her... that new girl, Li Bin, got the wrong end of the stick and ran off to find Miss Ho here and then the whole thing got blown out of all proportion!

Head: Miss Ho? What have you to say to all this?

Miss Ho: Li Bin came to see me in some considerable distress Headmistress... I went into the playground to see what was happening... Miss Perkins was nowhere to be seen... I found Emily in some distress...

Miss P: She'd had an asthma attack...

Miss Ho: Alysha Khan was also there and she reported seeing Daisy, Iris and Anita trying to suffocate Emily Lam,

Miss P: Daisy, Iris and Anita? Suffocating Emily Lam?!! Daisy Iris and Anita are three of the nicest, sweetest girls I have ever had the pleasure to teach Headmistress.... they would never do a terrible thing like that.... never.

## Scene 2

Ted: Hey Ricky.... what do you want for Christmas?

Ricky: Want? Um? I dunno,

Ted: Come on man... give me a few clues... what do you need? Like a CD or a penknife... urn, well, perhaps not a penknife... I dunno.... a T shirt or a pen or a comic or a bag or something.

Ricky: You gonna buy me a present Ted?

Ted: Sure... well you're spending Christmas with us aren't you Ricky?

Ricky: I suppose so... I haven't got any where else to go.

Ted: So what we do is all buy each other presents and put them under the Christmas tree and in the morning we wake up and open the presents all together... that is if my little sister Pinky hasn't got up already and

opened them all for us... she did that one year you know.

Ricky: Really? She opened all your presents?!

Ted: Yes, she was only three.... she thought all the presents were for her... when we tried to get our presents back from her she started screaming so loud we had to let her keep them.

Ricky: Pinky's a funny little girl.

Ted: Pinky? Yeah, she is funny sometimes.... but she can also be a pain.

Ricky: Do I have to buy everyone presents?

Ted: Yeah, of course... but don't worry Ricky... you can just buy small things... you know... anything.

Ricky: What shall I buy you Ted?

Ted: Anything you like... um... a Mercedes perhaps.

Ricky: Mercedes?! Wa! A Mercedes cost one million dollars!

Ted: Okay, so if a Mercedes is too much..., how about a Rolex?

Ricky: A Rolex?! Wa! They cost about half a million dollars!

Ted: Okay, if a Rolex is too much, how about a pair of Tick-Tick sports shoes,

Ricky: Tick-Tick sports shoes?! Wa!... Tick-Tick sports shoes cost about a quarter of a million dollars!

Ted: Okay... so just buy me a trip to Tokyo Disneyland,

Ricky: Wa! Tokyo Disneyland?!

Ted: Or a palm top computer,

Ricky: Okay, okay... so I'll settle for a comb and a mirror... I need something nice to look at in the new millennium.

Ricky: Hey Ted, what shall I buy Pinky?

Ted: Buy her some chocolates... the fatter she gets the slower she gets and then I can catch her if she steals my presents again.

Ricky: And um... Ted (coughing with embarrassment)

Ted: What Ricky?

Ricky: What shall I buy.... Li Bin?

Ted: You're going to buy Li Bin a Christmas present?

Ricky: Maybe, maybe.

Ted: Hey Ricky.... you like Li Bin don't you.

Ricky: She's okay, just okay.

Ted: Just... okay?

Ricky: Mmmm... okay, okay, very okay.

Ted: Very okay... that's more like it Ricky boy... deep down you're kind of a bit crazy about her aren't you.

Ricky: Crazy? Me? You're crazy Ted. Crazy man... you're a crazy man Ted.  
Ted: I don't think so Ricky... I think you're crazy... about Li Bin.  
Ricky: No, no, no, no.  
Ted: Hey man, I don't blame you... Li Bin's cute... real cute... and .. I think she likes you too.  
Ricky: Really? You think so?!  
Ted: (Imitating Ricky) You think so?!... (laughing) Yeah, I think so alright... ever since you rescued her from the store room... she thinks you're some kind of nice sweet guy.... she even calls you gentleman.  
Ricky: (Chuckles complacently) Yeah, yeah, she does... she's a nice girl.  
Ted: Just 'nice'?  
Ricky: Very nice.. very nice.  
Ted: Hey Ricky... you wanna try and bump into her under some mistletoe.  
Ricky: Mistletoe?... what's that? Mistletoe,  
Ted: You know 'mistletoe'!... that green stuff with the white berries on it... you hang it up somewhere and if you find you're standing under it with some pretty girl... well... you get to kiss her.  
Ricky: Really?  
Ted: Sure... it's allowed, that's the custom... you get a kiss if you're both standing under some mistletoe.  
Ricky: Oh... oh.... where is the mistletoe?  
Ted: You have to buy some and hang it up. Tell you what Ricky, I'll buy some, hang it up and invite Li Bin around... I'll get her to sit down under it and then you can run in and kiss her.  
Ricky: No, no, no, no... Oh! Oh!.... my heart... my heart!  
Ted: Hey Ricky.., what's up with your heart?  
Ricky: I don't know Ted... I don't know.... it keeps going boom boom boom... I don't know why.  
Ted: Tell me Ricky.... does it go boom boom boom whenever Li Bin is around?  
Ricky: Yes, yes... I don't know why.  
Ted: And does it go boom boom boom when you talk about kissing Li Bin?  
Ricky: Yes, yes... I don't know why.  
Ted: Hmm... maybe... just maybe...  
Ricky: What Ted? What?  
Ted: Maybe you're 'allergic' to her.  
Ricky: Allergic? What does that mean?  
Ted: You know, like some kids are allergic to flowers and green stuff.. like it

makes them sneeze? That's an allergy.

Ricky:          But Li Bin doesn't make me sneeze,

Ted:           I know... but not all allergies make you sneeze... some allergies make  
                  your heart go boom boom boom.

Ricky:          So... so what am I going to do Ted?

Ted:           Avoid her.

Ricky:          Avoid Li Bin?!

Ted:           Yes... stay away from her.

Ricky:          Really?! Do I have to Ted?!

Ted:           Yes Ricky... face it... you've got an allergy to her and if you get too  
                  close you get all that boom boom stuff, I mean you might even have a  
                  heart attack if this keeps up.

Ricky:          But... but an allergy is bad isn't it? Sneezing and watery eyes and more  
                  sneezing and blowing your nose.

Ted:           Yes.

Ricky:          But Ted... my boom boom allergy with Li Bin is not like that.

Ted:           Perhaps you should go to the doctor.... see how to get rid of the boom  
                  boom.

Ricky:          The doctor... you think so?

Ted:           Yes but not an ordinary doctor... a love doctor.

Ricky:          Love doctor? Where can I find a love doctor?

Ted:           Hey... look who's coming.

Ricky:          Who?

Ted:           Li Bin.

Ricky:          Oh! Oh!

Ted:           What's wrong Ricky?

Ricky:          My heart! My heart!

Ted:           What? Have you got the boom booms Ricky?

Ricky:          Yes, yes... boom.... boom.... ouch... it hurts.... boom boom.

Ted:           The allergy.

Ricky:          Yes, yes.... oh, oh.... boom boom.

Ted:           Mmm... you've really got it bad Ricky... whatever IT is.

Ricky:          Yes. Ouch! Yes. Oh! Boom boom... boom boom... ouch! Ah! Oh!  
                  boom boom,.. boom boom.

S A: So... a present for a lady.  
Ricky: Maybe.  
SA: Anything in mind?  
Ricky: (Pause) No.  
S A: I see... Would you like ME to make a suggestion?  
Ricky: (Pause) Maybe.  
S A: How about some perfume.  
Ricky: Perfume? Maybe.  
SA: Is it for a young lady Sir or a mature lady?  
Ricky: Mature lady?! Mature?!  
S A: Like your Mother Sir.  
Ricky: My Mother?! ! No! No!  
S A: A young lady then.  
Ricky: Maybe.  
S A: This is a nice perfume for a young lady Sir.. it's called 'Light and Skippy'.... it's very light and fragrant.... would you like to smell it.  
Ricky: Smell it?  
S A: The 'Light and Skippy'... here... I can put a little squirt on your wrist and you can smell it.  
Ricky: (Terrified) On me?! No.... no I  
S A: Okay Sir... I'll spray a little on this tab of paper... you can smell that...

okay?

(SFX: Squirt of perfume on paper.)

S A: Smell it Sir... I think you're young lady will find it very light and appealing.

Ricky: (SFX: A big, piggy snort as he inhales the perfume. After this he starts coughing and choking)

SA: Very nice isn't it Sir.

Ricky: (Coughing, spluttering and choking)

S A: I thought you'd like it.

Ricky: (Ricky gradually stops coughing and spluttering) Um... yes, yes.... very nice, very nice..... Um.... how much is it?

S A: It's VERY reasonable.... only three hundred and twenty dollars.

Ricky: (Starts coughing and spluttering all over again).

S A: Are you alright Sir?

Ricky: (Coughing subsides) Um.... um.... have you.... um...

S A: Got anything LESS expensive?

Ricky: (Amazed) Maybe! Maybe!

S A: Now then... something less expensive. How about some 'Light and Skippy' bath crystals... in a very pretty jar... see.

Ricky: Yes, yes.... How much?

S A: Um... one hundred and fifty four dollars.

Ricky: (Starts coughing and spluttering again)

S A: No? Well how about this 'Light and Skippy1 hairpin... it's only sixty three dollars?

Ricky: (More coughing and spluttering ...fade)

#### Scene 4

Li Bin: Emily... what's wrong?... you look so scared... why are you hiding?

Emily: I don't want Daisy to see me,

Alysha: You shouldn't be frightened of silly old Daisy.

Emily: Well I am.

Li Bin: She almost suffocated you didn't she Emily.

Emily: Yes.

Alysha: Along with those other two idiots... Iris and Anita.

Li Bin: Iris and Anita do whatever Daisy tells them to.... they're like sheep.

Alysha: (Bleating like a sheep) Baaaa... Baaaa (They laugh) But Emily... you can't keep hiding like this.. you'll make yourself miserable.

Emily: I have to Alysha... Daisy and the others are much stronger than me.

Alysha: No they're not... you only think they are.

Emily: I'm weak Alysha... I'm no good at fighting.

Alysha: We can help you can't we Li Bin.

Li Bin: I don't like fighting either.

Emily: Daisy's tough Alysha... and so are Iris and Anita... when they were holding their hands over my mouth and pinching my nose I just couldn't get them of no matter how hard I tried.

Li Bin: Emily... maybe you should speak to Miss Ho.

Emily: I'm already in enough trouble with Daisy for talking to the Headmistress... If she finds out I've talked to Miss Ho as well she'll go ballistic!

Alysha: Let her... Who cares?

Emily: I do Alysha... I'm scared of Daisy, I really am.

Li Bin: You told the headmistress that Daisy locked me in the store room didn't you Emily.

Emily: (Slight pause) Yes.

Li Bin: Thank you.

Alysha: Good for you Emily... that was brave of you.

Li Bin: And you've saved Ricky... They were all blaming him... saying he was trying to break in the store room to steal things... but now the Headmistress knows the truth and Ricky won't be expelled.

Alysha: That Daisy Chiu. . I hate her... whenever I'm eating my lunch she always comes around with those stupid sheep Iris and Anita and then they all say horrible things about the food I'm eating, you know, the curry... I want to throw it in there faces! I would too, only it would be a terrible waste of good food.

Emily: Daisy used to be my friend... but then when she started being horrible to you Li Bin... I didn't like it... You know I had nothing to do with you getting locked in the store room.

Li Bin: I know Emily.

Emily: But when they locked you in I COULD have got a teacher..., but I didn't.... I was too scared.

Li Bin: Never mind Emily... you've made up for it now... you told the Headmistress.... and you've saved Ricky.

Alysha: There's three of them and three of us.... we could easily beat them in a

fight... I'd love to punch Daisy Chiu in the face... it would give me great satisfaction.

Emily: But Alysha, she'd punch you back twice as hard.

Alysha: Let her try. When I saw them trying to suffocate you Emily...I can tell you... my blood really boiled,, I was livid.

Emily: I don't know what I would have done without you two... If you hadn't seen what Daisy was doing to me and got help... I might have died.

Alysha: No way... I would NEVER have allowed that to happen.

Emily: But how could you have stopped them?

Alysha: Simple... I would have bitten their hands.

Emily: Wa, Alysha... you're so brave.

Li Bin: Yes, you really are Alysha.... so brave.

Daisy: It's Alysha who should lighten up... she's too dark for us. (girls giggle nastily)  
Ted: Wow Daisy...(ironic tone) that was a really funny joke like.... ha...ha... ha.  
Alysha: Ted we can discuss the questions together.... It's no point trying to discuss anything with those air heads.  
Daisy: Who are you calling an air head black girl?  
Alysha: I'm calling YOU an air head Daisy and by the way... incase you are colour blind... my skin is brown.... not black, okay?  
Daisy: Brown, black it's all the same to me curry girl.  
Ted: Um girls, girls... shall we discuss Miss Ho's questions.  
Alysha: What's the first one?  
Ted: What is your wish for the new millennium.  
Alysha: My wish is for a world free of prejudice and spite... a world where people can live happily together like brothers and sisters regardless of their skin colour.  
Daisy: Dream on brown girl.

(I and A giggle nastily)

Anita: I'm not doing group work with her... she's Indian.  
Iris: Neither am I.  
Ted: But Miss Ho said you HAD to.

I & A & D: Huh! Let's turn our backs. Huh! Let's do it just the three of us. Huh!  
Huh! Huh!  
Miss Ho: Everything alright here.  
I & A & D: Yes Miss Ho.  
Alysha: No Miss Ho,  
I & A & D: What?!  
Miss Ho: What's the matter Alysha?  
Alysha: Daisy and Iris and Anita won't work with me.  
Miss Ho: Won't work with you? Why ever not?  
I & A & D: Yes we will Miss..., she's lying.  
Alysha: No I'm not. Tell Miss Ho Ted..., tell her what they were saying about

me.

Ted: Um....er.....

Miss Ho: Well Ted?

Ted: Well....(agonizing over whether or not to tell the truth)

Alysha: Daisy said she wouldn't do group work with me because I was black.

Miss Ho: Daisy.... is this true?

Daisy: No Miss Ho.

Aiysha: The other two said the same.

I & A: No we didn't Miss Ho.

Alysha: Oh for goodness sakes Ted... tell Miss Ho.. tell her the truth!

Ted: Um... they,.... that is Daisy and Iris and... .Um...

Alysha: Anita, go on.

Ted: Yes, Anita.... well they sort of might have if I heard them correctly but my ears are a bit bunged up today because the weather has turned cold and I think I have a cold coming on.

Alysha: (Bitter) Thanks Ted... thanks a lot... you're as bad as they are.

Miss Ho: Ted... I'm asking you one more time... is it true Daisy and Iris and Anita won't work in a group with Alysha?

Ted: Um.... (squirming) kind of.

Daisy: (Between gritted teeth) Ted... watch what you say boy.

Alysha: You see..., she's threatening him... threatening Ted right in front of you Miss... that's what she's like she lies and threatens people and gets away with it.

Daisy: Alysha... what a rude girl you are to say such things... don't your parents teach you any manners?

Alysha: You leave my parents out of this Daisy Chiu.

Miss Ho: Daisy... Anita... Iris... now I'm warning you...

3 girls: Warning Us? But we haven't done anything Miss Ho,

Miss Ho: If there is even so much as a SHRED of truth in Alysha's accusations.

Alysha: It's ALL true... every single word of it.

Miss Ho: I shall be furious... do you understand me... furious... I DO not and WILL not tolerate racial discrimination in my classroom EVER! Now is that clear?

3 girls: Yes Miss Ho.

Miss Ho: Good, now get on with your work.... and I shall be watching you, watching very very carefully, is that understood?

3 girls: Yes Miss Ho.

Miss Ho: Now go on with it.

Daisy: (Sweet voice) Alysha my friend... what is your wish for the millennium?  
Alysha: That you'll start telling the truth Daisy Chiu... the truth.  
Ted: Nice one Alysha.... nice one.
